Insurance

It is obligatory that all participants and members of delegations have their own medical insurance and personal trip insurance. The Swiss Karate Federation and the European Karate Federation are taking no liability for either of these.

Welcome to karate country Switzerland in Zurich Kloten,

Dear friends of our sport,

The Swiss Karate Society and Switzerland as the host country are looking forward to seeing and celebrating karate at its finest on May 2011.

The sport of karate in our country started off in the early 60'ies. The father of Swiss karate, Bernard Cherix, was one of the founding members of today's European Karate Federation. The Swiss Karate Federation already hosted the European Championships 1978 in Geneva and 1986 in Sion.

This tradition and a highly motivated Organizing Committee are building the base to prepare and execute the European Championships 2011 successfully.

Zurich is the powerhouse of Switzerland; vibrant and dynamic. Zurich is the venue for many sports, for classic music or jazz lovers, for theater and opera fans and for budokas.

Zurich residents have reasons to be proud of their city - called Turicum by the ancient Romans – since it has been continuously elected for years among the cities with top quality of life in the world.

With the European Championships the cosmopolitan city also puts a strong focus now on the world of karate. We all are looking forward to an exciting and emotional tournament.

Roland Zolliker
President Swiss Karate Federation

KUONI | Events

Dear friends of our sport,

We wait with great expectation and encouragement the arrival of these 45th European Senior Championships 2011 in Zürich. The Swiss Karate Federation hosted its last European Championships in 1986, namely the hosted the EKF Juniors of Sion, and the whole European family feels great to come back to Switzerland after 25 years to enjoy all together the top European event.

I would like to take this opportunity to recognize the work developed by the Swiss Karate Federation (SKF) during these last years. For me it is a model of efficiency, responsibility, quality and well doing. It has always been a pleasure to work with the SKF, and in all the before mentioned I want to make a special mention to its President Roland Zolliker, that has always made things easy inside a positive atmosphere of help and collaboration.

The celebration of this big event in Switzerland is something well deserved by the Swiss Federation and I can say, without any doubt, that these 45th European Senior Championships are going to be a new success of our sport in the Continent, a new success of the EKF Federation thanks to the inestimable contribution of one of its outstanding members as it is the Swiss Karate Federation.

Antonio Espinos
President European Karate Federation

About Zurich

Zürich has a unique position in Switzerland. It is the country's largest city and home to an internationally reputed financial centre as well as being the focus of an economic region which acts as the motor of Switzerland, and along with Geneva is the most important gateway to the country. The wide variety of cultural activities and educational institutions define Zürich's character as a diverse, open city with a passion for life. Zürich is the capital of the canton with the same name and the centre of a number of regions which together have some 1.9 million inhabitants. It is famous for its lakeside location and green, densely wooded chain of hills which run through the city from north to south. Zürich's place on the world stage does not come down to its size but to its strong international networks. The high standards of living, working and accommodations are continuously confirmed in surveys done by local residents, and Zürich consistently finds itself at the top of international city rankings in terms of quality of life.

Safety, order and cleanliness contribute greatly to the high quality of life in the City of Zürich. Environmentally friendly waste disposal and sustainable energy and water supplies are essential factors when it comes to competing with other international locations. Zürich is not just a clean city, it is also a safe one, thanks to the trust that locals have in the forces of law and order and which can also be attributed to various measures implemented by the city. Surveys tend to show that Zürich residents enjoy a high feeling of security.

EUROPEAN **KARATE**
CHAMPIONSHIPS 2011

Kolping-Arena

The Kolping Arena, Ice-Hockey Premier League Club's "Kloten Flyers" home base, together with the adjacent center Schluefweg, is probably the largest leisure and sports facility on the outskirts of Zurich.

The Ice Hockey World Championship was held here in 2009. The Kolping-Arena is located almost within walking distance to the Headquarters hotel.

"Kolping Arena" is an ice-skating hall seating up to 7500 spectators including the Restaurant "Redliner", as well as up to five takeaways. The large events take place here, lovely located close to an old forest .

Food and Beverage

Well, you can eat and drink every day. But our cooking is like homemade for a very fair price especially for all the athletes.

We recommend buying Food Vouchers in advance

At the Kolping Arena there are sports meals (lots of carbohydrates and proteins) at various takeaways and restaurants available.

Every day you can choose from three different freshly prepared menus, such as, Indian, Chinese, Italian, Vegetarian or Swiss Style for a fair price. Why not buy food vouchers in advance?
